The State of Nevada Deferred Compensation Committee is pleased to host the first annual State of Nevada Employee Financial Education Day. This event will provide employees with the opportunity to learn more about planning and saving for retirement, college savings and healthcare.

Today's workers have more responsibility to fund their own retirements and plan for their financial security. We encourage you to attend the mini-seminars to learn more from each agency representative, including PERS, Social Security, PEBP, State Treasurer's College Programs and Deferred Compensation. In addition to the seminars, these representatives will also be available throughout the day to answer individual questions. The seminar topics will include:

- **Public Employees' Retirement System of Nevada: *Planning Ahead for your Retirement***
- **Nevada State Treasurer College Programs: *Planning for College***
- **State of Nevada Deferred Compensation Plan: *What is Deferred Compensation?* Presented by ING Financial Advisors and The Hartford**
- **Social Security Administration: *Two Provisions that may affect your Social Security Retirement Benefit***
- **Public Employees Benefit Plan (PEBP) to discuss various benefits (life insurance, long-term care, etc.)**

The Governor's office has authorized administrative leave to allow state employees to attend. Please coordinate with your supervisor to ensure appropriate coverage in your department.

The Carson City event will be held on Wednesday, October 18th at the Nevada State Library and Archives. Representatives from the agencies will be available throughout the day in the atrium to answer your individual questions. All seminars will be held in Conference Room A. The State Library and Archives is located at 100 North Stewart Street in Carson City, Nevada.

The Las Vegas event will be held on Wednesday, November 1st in the Grant Sawyer Building. Representatives from the agencies will be available throughout the day in the lobby to answer your individual questions. All seminars will be held in conference room 1100 on the first floor. The Grant Sawyer building is located at 555 E. Washington Street in Las Vegas, Nevada.

Please RSVP for seminars as seating is limited. Call 866.464.6832 to RSVP.
